---

Hi all,

I created a "Bears Ears" folder within this folder Sarah created, and added a few documents that I was able to find via FS and BLM. I could not find any sort of land use study documents however.

BLM's [Bears Ears page](#) has some additional info.

The screenshot shows an email from Sarah Cline inviting the recipient to contribute to a shared folder named "National Monuments". The email includes a blue "Open" button and a note about Google Drive's benefits. A small square icon with a question mark is visible in the bottom right corner of the email frame.

Sarah Cline has invited you to contribute to the following shared folder:

 National Monuments
